When I started to think about purchasing a house, a friend in CSEA referred me to Charlie Brown of REMAX. Charlie understood my desire to stay within the District 11 boundaries so that my vote would count. He not only used what I told him I wanted in a place to help me find a variety of locations to look at, but he also listened to my critiques in order to help me find the ultimate house that I bought. Charlie kept me in the loop via texts, phone calls, and emails. He understood my teaching schedule and worked around my availability. He also answered all of my questions, and even after I closed, and was a brand new homeowner. I was and still am, able to contact Charlie for any questions I may still have. I am extremely happy with the service Charlie provides, and I highly recommend Charlie to anyone looking to buy a home. ~ Adrienne Hause, CSEA Board of Directors, Palmer Region Director

"Charlie found the perfect house for my family. Getting the cash back for being a member of CSEA was a fantastic bonus for this new homeowner!" ~ Amanda Hawkins, Mitchell High School, CSEA Treasurer

"I am very satisfied with my experience and with Charlie Brown's help. I had never sold a home before. Charlie answered all my questions carefully and completely. He worked very hard to get the home listed within a few days from signing the contract and was committed to getting a contract on it in the shortest time possible. And that he did! I would recommend Charlie Brown to anyone in Colorado Springs and the surrounding area. I enjoyed working with him." ~ Jeanne Beyer, retired CEA Director of Communications

“Charlie made my home buying adventure simple and fun. He is patient, accommodating, and professional. Charlie used his knowledge of the area and years of experience to help find the right home.” ~ Melanie Blackman, Galileo Middle School, former CSEA Board of Directors member
