Deduct Your Dues On Your Taxes

Your CSEA/CEA/NEA dues can be deducted on your taxes. For members who were full time for all of calendar year, the total amount of dues paid was \$812.32 . Please look in the “After Tax Deductions” column on your year-end pay stub from District 11 to see how much you paid in dues.

CSEA Lobby Day at the Legislature

February 4, All Day

State Capitol Building, Denver

The new session brings many changes with it: control of the Senate, leadership in the House, and appointments on the education committees. Additionally, nearly a quarter of lawmakers are new to their position. One thing that hasn’t change is their focus on the issues that matter most to our members. Over 140 bills have already been introduced and CEA is tracking dozens of them. If you are interested in attending Lobby Day to visit the legislature in session, please contact Kevin at kvick@coloradoea.org for more information.
