CEA All Member Survey

Over the past month, CEA has been collecting responses to an All-Member Survey, which asks members to provide feedback on CEA's legislative, organizing, and professional practice priorities. Thank you to the members and leaders who have already taken the time to fill out this survey. If you haven't already done so, please take the survey now:

This survey will provide statewide data on CEA members, and the responses will help our bargaining, organizing, and legislative priorities. Having more of our members take the survey will increase the usefulness of the survey results.

Thumbs Up! Thumbs Up to **Lin Goodwin-Wittry (Galileo)**, for producing the hugely successful Murderous Night at the Museum. A special Thursday performance was put on for the 4th and 5th graders who attend Stratton and Twain Elementary. This marks the 9th theatre production produced by Goodwin-Wittry at Galileo School of Math & Science.
