#### ***Serving America's Most Vulnerable Students During Coronavirus Closures***

Education Week is sponsoring a webinar on serving particularly vulnerable students on April 21 at noon. One of the guests, Johnnye Waller, works with counselors, nurses and social workers in a District that has been hard-hit by hurricanes and an opioid crisis, and the other, Steve Sandoval, supports students with disabilities in a Denver area school District. You can learn more and register [here](#).

[How Innovative Educators Are Engaging Students Online](#) This *neaToday* article has some great examples of how teachers are teaching students in such content areas as health and physical education, art, character and well-being.

### CEA Student Loan Help Workshop | Powered by NEAMB & Savi
