

Announcements

Remembering Columbine

Please take a moment today to honor the 12 students and one teacher who were killed on April 20, 1999. Never forget.

Interest-Based Bargaining Began Monday, April 18

Bargaining began on Monday, April 18. Bargaining is held on the second floor of the Tesla Building at 2560 International Circle. There will be signs with directions inside the building. All sessions are open to the public and members are invited to attend. All dates and times are posted in the member section of the CSEA website at www.cseateacher.org.

AR Nominations Being Taken

All members are invited to run to serve as an Association Representative for their school. Anyone interested in serving as an AR next year should contact [CSEA](http://www.cseateacher.org) by April 26, even if currently serving as an AR.

Contract Facts

ARTICLE VI A. 4 Negotiating Procedures

All steps of the IBB process will be open for observation by the public in accordance with the State Open Bargaining Law. Caucuses will not be open to the public.

ARTICLE XIII. Student Discipline Site Guidelines

Each building staff shall establish student discipline guidelines for the building, which support and are consistent with the District policies and procedures and which are consistent with the Master Agreement. Guidelines shall be developed through a collaborative process and then will be posted by May 15th prior to each School Year. These guidelines may be changed or amended collaboratively at any time during the school year. In cases where a change in these guidelines is necessary for compliance with legal requirements, the guidelines may be amended by the principal, but any such changes will be subject to review through the annual collaborative process referred to above, which is to be posted by May 15 of each school year.
