

## 14 Days To Make A Difference

Thank you to the many CSEA members who have volunteered to canvass and work to get our recommended candidates elected to the Board of Education. Your efforts will make a difference. If you haven't yet had a chance to participate, please do so now. Don't wake up on November 4 and wish that you had done something to make a difference. We have 14 days left to continue our work, and there are many volunteer slots available to be filled. Please sign up at <http://vols.pt/RZ8oEq> or contact Thad Gemski at [tgemski@coloradoea.org](mailto:tgemski@coloradoea.org) to let us know when you can commit to help with this election.

## Announcements

### Board of Education Candidate Forum Now Available Online

We're happy to note that there was standing room only at the recent Citizens' Project Board of Education Candidate Forum and that many of you were able to attend. If you didn't have the chance to attend or watch the forum, we invite you to watch it [here](#). You will want to pay particular attention to the candidates' positions on privatization, vouchers, and continuing the Master Agreement.

### Don't Share A Copy Of Your Completed Ballot

By law, you may not reveal, publish or post a completed copy of your actual ballot. This misdemeanor in Colorado is punishable with a fine of up to \$1,000. With many of us energized and wanting to discuss the election, it is important to remember not to share your completed ballot, including not on social media sites! You may, however, post for whom you voted.
