Good Night With Dolly

Tonight you can listen to Dolly Parton live reading good night stories to children. The books were chosen specifically for these trying times. Perhaps you'd like to put your children to bed on this time frame, but that probably won't work. Hopefully they can listen to them anyway. Your littles will be entertained for a while, and you'll get a break. [Listen to Dolly Here](#)

Remember, we're here for you.
