Defining Our Future

As we wonder when we will be able to see our students in person and share laughter with our colleagues, we have an opportunity to reflect on what our new “normal” will look like. We hope [this article](#) helps put in perspective the choices we can make going forward. This is a time to focus on what we want our future, and our country’s future to be.

CSEA Annual Meeting

The CSEA annual meeting will be conducted virtually on Tuesday, April 14 at 4:45 p.m... If you would like to attend the meeting, please send an email to [Thad Gemski](#) from your District 11 email. You will receive an invitation with instructions.

Teaching And Academic Resources

Education resources for grades preschool through fifth grade are available by grade level and subject are available through Education.com. They will continue to share additional resources in the weeks ahead. Visit their [Learning Library](#) to see the many offerings.

For Your Pleasure And Health

Edutopia has some tips on taking care of yourself while working from home. It’s worth taking a few minutes to visit [here](#), and remind yourself of how to stay healthy grounded and manage your health.

[Here's](#) a compilation of television and movie clips put together about the strange times we are facing.
