CSEA 2021 Election Results for CSEA Board of Directors and Representatives to the NEA Representative Assembly

We received one nomination for each of the following CSEA Board of Director positions and therefore all nominees have been elected by acclamation.

Carmen Moyer, Primary Grade Director
Jack Roberts, Middle Grade Director
Anton Schulzki, Senior Grade Director

Additionally, the combined number of nominations for CSEA delegates to NEA's Representative Assembly and those automatically attending due to a position on the CSEA Board of Directors did not exceed the allocation, and therefore there we will not have to have an election.

Representing CSEA will be:

Kevin Coughlin
Amanda Hawkins
Joe Schott
Anton Schulzki

Thumbs Up- to all educators back in the classroom full time this week. You are providing essential in person learning to the children of District 11 and we recognize your commitment.
